

MEMORANDUM FOR: MR. DULLES

At lunch on 13 December you discussed the sometimes embarrassing situation in which our employees find themselves by reason of the fact that they do not know whether they can disclose their association with the Agency and requested that something be published on this subject prior to Christmas.

On checking our Regulations I believe that the matter is adequately provided for; however, the information is probably not widely enough disseminated by the various components. I have, therefore, drafted the attached Notice...quoting

MEMORANDUM FOR:

from our Regulations...which will, with your approval, be distributed to all employees without delay.
